Power & Light

**Lutherans
Restoring Creation**
Cultivating Hope & Healing for All

Drop-In Gathering for Creation Care Congregational Leaders

Last Tuesday of the month at 7 pm

Hoping to become a Creation Care Congregation? Perhaps your congregation already is. Either way, you're invited to join others who foster Creation Care for questions, support, and inspiration! Share tips and questions for going forward.

Pastor Nancy Wright, Vermont Interfaith Power & Light Vice-President, is leading this group on behalf of VTIPL and the Lutherans in New England.
